Race security: The athletes should obey the indications made by the Local Police, the Harbor Police, and the Traffic Guards of the members of the Organization, being these responsible for the security of the athletes during the competition.

GENERAL CONDITIONS

The fact of registering and taking part in the test implies full acceptance of these rules, as well as other provisions that the Organization may take at the time for any reason.

The Organization reserves the right to disqualify or expel athletes from the competition, who falsify information about their personality, do not complete the course, have an unsportsmanlike attitude with other participants, etc.

Athletes will provide their identification to the Organization, in case it requires it.

Athletes without a number who have not completed their regulatory registration will be prevented from entering the circuit and taking part in the test.

The participants consider themselves fit, physically and mentally, to take part in the competition, and are fully responsible for any damage that may be suffered by their person, regardless of the severity that may be.

The Organization declines all responsibility for moral, physical and material damages that participants may suffer.

REMARKS

1st - These rules are made public on a provisional basis, the Organization reserves the right to change them, according to their needs and criteria, which would be notified to the participants, prior to the start of the competition.

2nd - If for any reason beyond the control of the Organization: pandemics, terrorist acts, natural disasters, government authorization, etc., the test could not be performed on the scheduled date, the Organization will not refund the amount of the Registration made by the participating athlete or authorized person, since the athlete will continue to be registered in the event until it can be carried out on a new and future date, which will be promptly communicated to all registered athletes.

3.a - In the event that the registered athlete could not take part in the test for justifiable reasons (injury, illness, or inability to be physically on this day in Palma), the Organization will not refund the amount of the registration made for this edition, after prior written justification and accepted by the Organization, your registration will go to a next edition of the test.

4.ª - If the participating athletes wish to definitively cancel their registration in the test, for whatever reason, only 75% of the registration amount will be returned to them, the remaining 25% will remain in the hands of the organization to pay for the management expenses that the athlete's registration has caused or causes to the organization, and the participant must make this claim in writing expressing this agreement.

5.ª - If due to Health Emergency issues in the Autonomous Community of the Balearic Islands, on the date indicated for the celebration of the test, it could not be organized, the organization will communicate as soon as possible: via e-mail, whatsapp, websites, etc., to all registered participants the new date scheduled for the celebration of the competition.
